

## Legacy Society

Established 2015

### *Making a commitment to the future*

People who have made a provision for Buck Mountain Episcopal Church in their estate plans (or make appropriate gifts to our Endowment Fund) are invited to become members of **The Buck Mountain Legacy Society**.

Making this commitment is a witness to one's faith in the church and to our future.

Gifts and bequests to our Endowment Fund provide a means to expand our ministries beyond what we can accomplish without such a fund, all to the greater glory of God. There is a **Guidelines** document on the church website that directs all aspects of the Fund.

We invite you to become a member of the **Buck Mountain Legacy Society** by completing the enrollment form (on the reverse of this brochure) and returning it to the church office.

"This church has enriched our lives with many blessings. This is our way of giving back the hope that future generations will also receive those blessings."

"In planning for the future of Buck Mountain, just knowing that I am helping to ensure that others have the same positive spiritual experience that I have been blessed with at this church, brings me great comfort and joy."

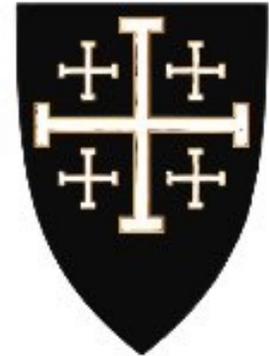

"We appreciate that there are gifts left to us by those who came before, gifts that have allowed Buck Mountain to be such a force for good in the world. It makes us happy to know that our legacy will help ensure that love continues into the future."

"Buck Mountain Church has been the focus of Christian worship in this small community for many generations. Simple in design, crafted by hand, unadorned, yet kept bright under many layers of paint, the church building is old, but it is not an empty relic. It is alive with activity, prayer and song, perhaps more so than in the past."

## The Buck Mountain *Legacy Society*

### An invitation to join...

"A sower went out to sow his seed. It came up and yielded a crop, a hundred times more than was sown."

Luke 8:5a,8a
